PRESENTS:

A SENSE OF PLACE

This collection draws inspiration from the defining character of places that stay with us. From peaceful harbors and hidden town streets to wide coastal horizons, each design reflects a distinct sense of place. Soft textures and thoughtful silhouettes echo the light, space, and stillness of these environments. These garments and accessories are meant to be created slowly and lived in fully. Each stitch becomes part of a landscape you can carry with you.

KNITTING OFFERS A SIMILAR FREEDOM, WHERE CREATIVITY MOVES AT ITS OWN PACE AND IN ITS OWN DIRECTION. THESE DESIGNS REFLECT THAT SPIRIT OF OPENNESS, ALLOWING SPACE FOR BOTH SIMPLICITY AND GROWTH. OPEN HORIZON IS ABOUT TRUSTING THE PROCESS AND FOLLOWING WHERE IT LEADS.
